Respected Sir,

I beg to approach you with my humble representation which I hope will be favourably considered.

I am the son of Dr. B.D. Raghavendra Rao, District Medical & Sanitary officer, Tumkur; and I am a Student in the Grant Medical College Bombay. I have just now passed the Inter M.B.B.S. Examination and

will get into 4th year of my course from the 15th. November 1916.

I was granted a Scholarship for one year, from July 1914 to July 1915, when I was in the 2nd year of my course and I have not been getting any Scholarship afterwards. The Scholarship was given to me for one year only for want of a vacancy and it was promised that I would be given one, if any permanent vacancy occured.

Last year, when fresh Scholarships were granted, my claims were overlooked, though my progress in the College was

quite satisfactory and had a preference over others for having received the scholarship for one year.

Of the students that were granted scholarships for the whole of their medical course at Bombay, two of them have left the course altogether. one of them has taken service in His Highness the Nizam's Dominions, and the other has been appointed as a probationer in the Government Sandal wood oil factory at Bangalore.

I, therefore, humbly request you to kindly grant me one of the scholarships that have thus fallen vacant now, for which act of kindness, I shall ever be indebted to you.

I beg to remain, sir,
your most obedient Servant,

R. Subba Rao.
Student
Grant Medical College
Bombay.

SIR,

I have the honour to inform you that three vacancies have occurred among ten Medical Scholarships held during the year. Of these, two are caused by the reported unsatisfactory progress in studies of B. Rangaswami who was granted a scholarship for four years in Government Order No. 631-3/Edn. 23-14 dated the 2nd October 1914 and renewed ~~again~~ in Government Order No. 2228-9/Edn. 16-15-10 dated the 17th November 1915 from 1st October 1915 to the end of April 1916, and of H. Shama Rao who was given a vacant scholarship in Government Order No. C. 2-4/Edn. 16-15 dated 13th October 1915 for 1 year from 1st July 1915. The third vacancy is due to the termination of the vacant scholarship granted to D. Hari Rao in Government Order No. C. 2-4/Edn. 16-15 dated 13th October 1915. I therefore, request that Government may be pleased to grant the vacant scholarships to the three students noted in the margin for a period of one year from 1st July 1916. Of these, R. Subba Rao and C. Nagesa Rao are studying in the 4th year M.B. B.S. Class of the Grant Medical College, Bombay and D. Hari Rao is in the 3rd year M.B. B.S. Class of the Medical College, Madras. The Principals of the two Colleges have reported that the progress of these students is satisfactory and recommend them for the
